Indian Council for Cultural Relations (ICCR) administers ICCR Scholarship Scheme for Dance & Music for propagating Indian classical forms of Dance and Music amongst foreign nationals by providing them a chance to learn these ancient art forms in India under the Guru-Shishya Parampara.

2. ICCR has provision for 100 scholarships under this scheme on an annual basis. The scheme is open for students across the world without any requirement of age or specific qualifications. It depends entirely on the Guru to whom the student applies who makes the selection. The scheme serves students from all backgrounds ranging from fresher to practicing artists in the respective arts forms.

3. Since this scheme is under Guru-Shishya Parampara, there is no fixed time by when students need to apply. Candidates can apply for this scheme through ICCR's Admission-to-Alumni portal (<http://a2ascholarships.iccr.gov.in/>).
