2. High Commissioner of India to Kenya H. E Dr Adarsh Swaika inaugurated the **Mega Silk Exhibition-cum-Buyer Seller Meet organized by ISEPC** at Hyatt Place, Westlands, Nairobi. The **two-day exhibition, held on 6-7 October 2025**, brought together **18 leading silk and textile companies** from India showcasing the richness, versatility, and craftsmanship of Indian silk.

3. The B2B meet aimed to promote direct engagement between Indian silk exporters and Kenyan importers and retailers, strengthening trade and business linkages in the textile and apparel sectors. It provided an opportunity for Kenyan buyers to explore a diverse range of silk products including fabrics, garments, scarves, stoles, and home furnishings.

4. The exhibition underscored the growing potential of India-Kenya economic partnership and the complementarity between India's robust textile industry and Kenya's vibrant fashion sector. Textiles are a key component of India-Kenya trade. In the last financial year, India exported textile products worth US\$ 194.57 million to Kenya, out of total exports of US\$ 3.13 billion.
